**Is there a correlation between the retweet count and the favorite count ?**

By using scatter plot, we found a strong positive correlation between the retweet count and the favorite count of a given tweets .

We can say the retweet is favorite but we can not say the favorite is retweet .

**What is the dogs rating of the most users ? and the dogs rating of the least users ?**

By using bar chart, almost there is 500 user are rating the dogs 12 out of 10 , 450 user are rating the dogs 10 out of 10 and 430 user are rating the dogs 11 out of 10, this is the dogs rating of the most users .

And the least users are rating the dogs 0 out of 10 and 75 out of 10 **or more** .
